

ORDER

SASKATCHEWAN ASSESSMENT MANAGEMENT AGENCY

Amendments to the Saskatchewan Assessment Manual - 2019 Base Year

This is an Order pursuant to clause 12(1)(d) of *The Assessment Management Agency Act* to amend the Saskatchewan Assessment Manual - 2019 Base Year as set forth in this Order. The amendment is effective upon the date of publication in the Gazette:

1. Chapter 3, Document 3.1.8, Page 1, specify that no additional allowance shall be made for physical deterioration except as may be accounted for in the calculation of the production adjustment factor for oil and gas well site buildings and structures.
2. Chapter 4, Document 4.1.1, Page 1, specify that the area of land on or under which is located the resource production equipment used to raise or pump the oil or gas to the surface, the resource production equipment used to inject air, water, steam or gas to enhance the production of a well, or the resource production equipment at a water source well, that was operated for less than 30 days in the 12 month period ending July 1 of the preceding year to which the assessment roll relates.
3. Chapter 4, Document 4.1.3, Page 2, specify that the shut-in well site status shall be determined from the 12 month period ending July 1 of the year immediately preceding the year to which the assessment roll relates.

Dated at Regina, Saskatchewan on October 22, 2020.
